TECHNICAL ANALYSIS

The stock was trading in a consolidation range below supertrend and moving average indicators. The rising volume in 15 min chart and bearish candles shows an downward trend. Also, Nifty was moving in a downward direction. The stock has also broke down the rising channel on hourly and 15 min chart. On the basis of above information, we gave Buy signal in Voltas 1500 PUT option. Volume and indicators suggest bearish sentiments in the stock despite a overall bullish trend. Hence we recommended a buy call in Put Option in the stock.
