

JINDAL STEEL

18 September 2024

About company

Jindal Steel and Power Limited (JSPL) is steel and energy companies, part of the O.P. Jindal Group. Established in 1952, JSPL has grown into a key player in the steel, power, and mining sectors. It operates integrated steel plants, producing a wide range of products including rails, plates, and structural steel. The company is known for its innovative production techniques and strong emphasis on sustainability. JSPL is also involved in power generation, contributing to India's energy sector through thermal and renewable energy projects. It has a global presence with operations in Africa, Oman, and beyond.
