### **Technical analysis**

This chart depicts the price action of Indian Railway Catering and Tourism Corporation Ltd. (IRCTC) on a 15-minute time frame. The price has recently experienced a significant dip, followed by a sharp recovery. The recent breakout above ₹905 indicates a potential shift towards a bullish trend, supported by the green Supertrend line. Additionally, the Exponential Moving Average (EMA) 20 is providing support as the price stays above the EMA. A further upward movement is likely if the price maintains momentum above ₹912. Hence we recommended to buy IRCTC 900 call option.
