

DALMIA BHARAT

27 September 2024

About company

Dalmia Bharat Limited is one of India's cement manufacturers, with a significant presence in the building materials sector. Founded in 1939, the company produces high-quality cement, contributing to India's infrastructure growth. It operates several plants across the country and is known for its eco-friendly production processes and sustainable business practices. Dalmia Bharat has a diversified product portfolio, including specialized cements like Portland slag cement and composite cement. The company has a strong focus on innovation, energy efficiency, and reducing carbon emissions, making it a leader in green initiatives within the industry.
