About company

Just Dial is an Indian company that provides local search services and listings for businesses across various categories like restaurants, hospitals, and services. Founded in 1996 by VSS Mani, the platform allows users to access contact details, reviews, and ratings via its website, app, or phone calls. It serves as a bridge between businesses and consumers, offering a wide range of services from local search to e-commerce. Over time, it has expanded its presence online and adopted digital services, making it a prominent player in India's local search market

Our recommendation

MOMENTUM SWING: BUY JUST DIAL BETWEEN 1213-1218 TARGETS 1279-1333 STOP LOSS BELOW 1147

Technical analysis

The stock is above 20-period EMA indicating bullish momentum. The Supertrend indicator has turned green, confirming the positive sentiment. If we talk about fundamentals YOY sales and profit has jumped to 1043 and 363 Cr respectively in FY 24. So, on the basis of above analysis we recommended to buy just dial.
