25 OCTOBER 2024

About company

Bharat Petroleum Corporation Limited (BPCL) is a leading Indian public sector oil and gas company, engaged in refining, marketing, and distribution of petroleum products. It operates two major refineries in India, in Mumbai and Kochi. BPCL plays a crucial role in meeting India's energy demands, offering a wide range of fuels and lubricants. It was listed for strategic privatization by the Indian government but the process has been delayed. BPCL has a strong presence in both domestic and international markets, contributing significantly to India's energy security.

Technical analysis

BPCL share price remain under pressure throughout the morning session. Volumes are also increasing in this down move. The prices are trading below 20 EMA, which indicate bearish trend. The bearish trend can also be confirmed with Supertrend indicator. Hence we recommended buying BPCL 310 put option.
