### **Our recommendation**

**OPTIONS INSIGHT: BUY TATAMOTORS NOV 860 PUT ABOVE 45 TARGETE 50/55 SL BELOW 40**

### **Technical analysis**

Tata Motors share prices remained under pressure since the beginning of the session. Prices came down in free fall mode after breaking 870 levels. Volumes are also increasing with the fall, indicating strong sell off in it. The prices continuously trading below its 20 EMA and Super trend indicator is suggesting a bearish trend in it. Thus, we recommended to Buy November 860 Put Option in TATAMOTORS.
