Technical analysis

SJVN share prices opened on positive note and sustained at the higher levels. A short-term bullish trend is evident, supported by the fact that the price is currently above the 20-period EMA (119). The Supertrend indicator is showing a buy signal, with the current price of 120.50 INR. The price breaks previous resistance of 118 with good volumes, indicating strength in this bullish move. Thus, we recommended SJVN 122.50 Call options.
