Technical analysis

Bajaj Finserv Ltd share prices keeps extending its gains with no sign of pullback. More volumes are adding after crossing 1650 level, which indicate a possibility of further upward move. The prices are still trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to continue its uptrend as it is not showing any sign of pullback, support level can be seen around 1640. Thus on the basis of above analysis, we recommend BAJAJFINSV 1660 CALL option.
