Technical analysis

Adani Enterprise Ltd share prices flipped into bullish trend after giving a gap up opening today. The prices crossed yesterday's high of 2360 and trading above it. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-1.5% on the upside while on the downside 2320 can act as the support level. Thus on the basis of above analysis, we recommend ADANIENT 2400 CALL option.
