Technical analysis

Indian Railway FinCorp Ltd share prices flipped into bullish trend after remaining in a consolidation phase for a brief period of time. The prices opened higher than yesterdays' high of 140.50 and trading above it. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-1.5% on the upside while on the downside 142 can act as the support level. Thus on the basis of above analysis, we recommend IRFC 135 CALL option.
