Technical analysis

Hindalco Industries Ltd share prices flipped into bullish trend after remaining in a consolidation phase for a brief period of time. The prices opened flat but moved quickly on the upside and crosses yesterday's high of 586.20 and sustaining above it. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-1.5% on the upside while on the downside 598 can act as the support level. Thus on the basis of above analysis, we recommend HINDALCO 620 CALL option.
