Technical analysis

Indusind Bank Ltd share prices flipped into bullish trend after remaining in a consolidation phase for a brief period of time. The prices opened higher than yesterday's high of 983 and trading above it. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-1.5% on the upside while on the downside 970 can act as the support level. Thus on the basis of above analysis, we recommend **INDUSINDBK 1000 CALL option**.
