Technical analysis

Zomato Ltd share prices flipped into bullish trend yesterday after remaining in a bearish zone for short period of time. The prices crossed previous two trading session' high and sustaining above it. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-1.5% on the upside while on the downside 210 can act as the support level. Thus on the basis of above analysis, we recommend ZOMATO FEB 220 CALL option.
