Technical analysis

Bajaj Finance Ltd share prices open big gap up as it continue its bullish trend from yesterday’s session. The prices continuously making higher high formation, indicating strength in its bull run. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to fall 1-1.5% more from current level as the sentiments are negative at the moment. On the lower side 8000 can act as the support level. Thus on the basis of above analysis, we recommend BAJFINANCE FEB 8400 CALL option.
