Technical analysis

Sona Blw Precision Frgs Ltd share prices open flat but quickly moved higher. The prices continuously making higher high formation with good volumes, indicating strength in its bull run. We can also see a rounding bottom chart pattern with a breakout of previous resistance of 525 level. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected reach 545-550 level which are its next resistance levels. On the lower side 520 can act as the support level. Thus on the basis of above analysis, we recommend SONACOMS 540 CALL option.
