Technical analysis

Gujarat Gas Ltd share prices flipped into bullish trend after remaining in a bearish phase for short period of time. It gave a solid gap up opening today and sustaining on the higher side. The prices crossed previous trading session' high with good volumes. On technical front, the prices are trading above its 20 EMA level indicating a bullish momentum. Supertrend indicator is showing bullish trend as green zone is active in it (as shown in image below). The prices are expected to move 1-2% on the upside while on the downside 410 can act as the support level. Thus on the basis of above analysis, we recommend GUJGASLTD 415 CALL option.
